

PERMISSION TO RELEASE INFORMATION

Web

I, _____, agree to allow the Bioengineering and Bioinformatics Summer Institute (BBSI) at the University of Pittsburgh to use information about me and my project from this program to document the success and scope of the BBSI program. The information can be posted on the web site, submitted to the granting agencies for posting on their web site, and can be included in the progress reports submitted to the granting agencies and the university. The information that I'm allowing to be used includes photos taken during the BBSI program, my name, e-mail address, institutional affiliation, and any abstracts and slides that I create during the program.
